Congressman Rothfus voted for the House Republican Balanced Budget Plan that builds a stronger America by balancing the budget in 10 years, cutting more than \$5 trillion in spending, and protecting Medicare for seniors.

✓ **Keeping Medicare Healthy**

Congressman Rothfus voted for the budget that protects Medicare Part D and preserves the best of Medicare for today's beneficiaries and for generations to come.

✓ **Protecting Seniors' Access to Their Doctors**

Congressman Rothfus voted to repeal and replace the failed Medicare physician payment system (Sustainable Growth Rate formula) that has repeatedly threatened massive cuts to doctors.
